Benefit from an assigned CERTIFIED FINANCIAL PLANNER™ professional as your personal coach-educator—a real human who cares about your financial future. Our CFP® professionals and secure online platform, partnered with Subject Matter Experts from every financial discipline, build and monitor your financial plan. Imagine... your own financial team. If you have workplace benefits such as HSAs, deferred compensation plans, and variable life insurance or stock options, a coach will help you understand how to use your benefits to your advantage.

- Meet with your CFP® Financial Coach to get access to our online platform
- Assistance in gathering your financial data and linking your accounts
- Personal modeling and recommendations on Retirement, Cash Flow, Insurance, Taxes, Estate Planning, etc.
- Three initial meetings and then ongoing quarterly meetings
- Direct email access to your personal CFP® Financial Coach
